

BEWARE the PHONE CALLS and Requesting info on the Internet

MOST IMPORTANT! I have listed ALL the companies that sell in Colorado.

- **THERE ARE NO OTHER COMPANIES OR SOME MAGICAL PLAN!!!! Just call me.**

+++++

- I have had clients tell me they saw something on the internet and went ahead and gave them their email or phone number. Noooo!!!!

You will receive EXCESSIVE amounts of phone calls and spam emails for 90 days!!
(I have had clients tell me to tell others this is what happens)

Remember – if you need any info for any senior product or company...
I CAN GET IT FOR YOU! (and you wont get any phone calls!)

- **Why in this day and age do seniors give info to strangers over the phone?**
 - There is way too much fraud to buy ANYTHING on the phone from a stranger... especially insurance when you are giving out personal info.
 - I ALWAYS list all the companies (in Colorado)... and I can help you.
 - EVERYTHING advertised is going to be with the companies I list. There is NOTHING else.

As seen on TV - EXTRA BENEFITS:

MOST of the Ads for great extra benefits are for: **MEDICAID Plans**

To a lesser extent, there are Chronic Illness plans (CSNP) that have specialized benefits.

Are there plans with Extra benefits for paying utilities or healthy food?

ALMOST ALWAYS – it is the Devoted plan. (As described in the Advantage news)

Yes! I have that plan – and if you want to talk about it... **CALL ME!!**

There are limitations... but Im happy to explain them to you.
